Targeted Advertising

We may work with third parties, such as network advertisers and ad exchanges, that use tracking technologies on our Site in order to provide tailored advertisements on our behalf and/or on behalf of other advertisers across. We may use third-party analytics service providers to evaluate and provide us and/or third parties with information about the use of these ads on third-party websites and viewing of ads and of our content. Network advertisers are third parties that display advertisements, which may be based on your activities (including past visits to our Site) and mobile media ("Targeted Advertising").

Targeted Advertising uses information collected on an individual's web browsing behavior on one website (such as the pages they have visited or the searches they have made) in order to target advertising to that individual on another website. Collecting information enables us to target advertisements to you for services in which we believe you might be interested. Our third-party ad network, exchange providers, advertisers, and/or traffic measurement services may themselves set and access their own technologies on your device and track certain behavioral usage information via a device identifier. These third-party technologies may be set to, among other things: (a) help deliver advertisements to you that you might be interested in; (b) prevent you from seeing the same advertisements; and (c) understand the usefulness of the advertisements that have been delivered to you.

Statements regarding our privacy practices do not apply to the methods for collecting information used by these third-parties or the use of the information that such third parties collect. We make no

representations regarding the policies or practices of third-party advertisers, advertising networks or exchanges, or related third parties.

While websites use a variety of companies to serve advertisements, you may wish to visit http://www.networkadvertising.org/optout_nonppii.asp, which provides information regarding this practice by Network Advertising Initiative (“NAI”) members and your choices regarding having this information used by these companies, including the “opt-out” procedures of NAI members.
